

Election of Board Officers

Immediately following the election of Board members at the Annual Meeting each November, the President of the Board will appoint a Nominating Committee of Board members to nominate the Board Officers for the next year.

The Nominating Committee will be made up of one person from each group of members determined by the date of their term of office. That is, one member from the group just elected, one member from the group elected in the previous year, and one member whose term will expire at the end of the coming year.

In accordance with the Bylaws the new officers are elected at the first meeting of the Board in January and serve a one year term. Even though their term as a member of the Board of Directors may expire, all officers remain in office until their successors are elected.

The elected officers of the Board of Directors in addition to the Bookkeeper are the persons who are authorized to sign checks to withdraw funds from the Association bank accounts.

Officers to be elected by the Board are:
