

Death of a Resident

Individual residents who were acquainted with the deceased may take appropriate actions depending on their relationship with the resident or his/her family. However, the policy guideline to express the collective community sympathy will be:

In the event of a death of a resident with a surviving resident family member, the Care Committee of the Communications Committee will take a plant, at a cost not to exceed \$35.00, to the home. In the alternative, a donation may be made according to the wishes of the family expressed. In either event, such gesture shall be made in the name of the *Whispering Meadows Community*.

Approved by the Board of Directors July 19, 2004
