

Community Bulletin Board

The purpose of the Community Bulletin Board is to provide residents with important information and announcements such as: dates and times of community meetings, community activities and events; reminders of property maintenance including the common area, homes and streets; emergency information; seasonal greetings.

Announcements are to originate from Board members and Committee Chairs. Any other announcements must have the approval of the Communications Committee Chair and/or Board of Directors.

Notices placed on the Community Bulletin Board should be positive in nature and should not reflect personal opinion. Providing information to homeowners in this manner is an important community-building service.

Approved by the Board of Directors July 16, 2007.
